S I R:

In response to the Office Action dated May 5, 2004, please  
amend the above-identified application as follows:

Replace the specification on file with the enclosed  
substitute specification. A marked-up version of the substitute  
specification is also enclosed.

The substitute specification incorporates the changes made in the amendment dated September 25, 2003. No new matter has been added.

The substitute specification has been prepared because of the extensive amendments to the specification.

The Commissioner is authorized to charge any additional fees or charges required at this time in connection with the application to Patent and Trademark Office Deposit Account No. 11-1835.

Respectfully submitted,

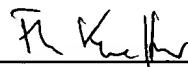

---
